**DO WHAT YOU LOVE &
GET RICH DOING IT**

"As a how-to guide, this book contains everything you may need to know to turn your passions into profits."

~ **Bill Bartmann**

(Billionaire entrepreneur, author, speaker, educator)

Hate your job but don't think you have the education, the skills, or the resources to quit? *5 Easy Steps to Financial Freedom: Do What You Love & Get Rich Doing It* by Duane Harden shows you how to take your passion and turn it into a goldmine. Filled with worksheets, assignments, and life lessons, this wise and humorous book will show you:

- Why bad credit and no money is the perfect place to start to go from rags to riches
- How to create an environment that leads you on the path to success
- How cleaning up the clutter in your life will lead to wealth
- How to get rid of your fear by "*Killing Chicken Little*"
- A 90-day action plan for transforming ideas into cashflow
- Why being a PIG Farmer is the most lucrative job you will ever have
- Testimonials from real people with real problems changing their life following these steps

So stop complaining about not having enough money or time and do what you want when you want to do it. Let Harden take you through his proven blueprint to move your money-making idea from concept to reality.

Harden doesn't just teach you theory; you learn through his own life experiences. See the actual 90-day action plan he used in creating his wealth, including purchasing numerous real-estate properties, a restaurant and a music company. Harden began with no financial education, but he was determined and inspired. Today he leads a Cash Flow Club where he mentors entrepreneurs on how to start and grow their businesses so they, too, can become financially free.
